

FY23 INVESTMENTS OVERVIEW

Construction Ready

Construction program that provides the training, credentials, and industry connections Westside Works customers need for great-paying, in-demand construction jobs.

Per Scholas

12-15 week training programs in IT Support, Software Engineering, and Cybersecurity offering industry certifications and preparing Westside Works customers to work in key technical roles equipped with today's most sought out industry skills.

The Training Expo

Allied health training programs that prepare customers of Westside Works to be Medical Assistants or Phlebotomy Technicians with the technical knowledge, credentials, and soft skills needed to enjoy a successful career in the healthcare industry.

Atlanta Center for Self Sufficiency (ACSS)

Atlanta Center for Self Sufficiency (ACSS) empowers financially vulnerable individuals to become self-sufficient, sustainably employed and economic contributors to society. ACSS will provide career advisements, job readiness services, and job development resources onsite to Westside Works customers.

TechBridge

TechBridge is an Atlanta-based nonprofit organization breaking the cycle of generational poverty through the innovative use of technology to transform nonprofit and community impact. TechBridge will serve as the operator of Westside Works' Digital Learning Lab, coordinating digital training and coaching services to assist community residents in developing critical technical skills to thrive in today's workforce.
